TYPES CRIMINAL FIGURES RELATED TO COMPUTERS

Bearing in mind that the H. National Congress has approved the following
Bill:

"Article 1 .- Anyone who maliciously destroys or disables a system of processing of information or its parts or components, or prevents, hinders or modify its operation, it will suffer the penalty of minor imprisonment in its medium degree to maximum.

If as a consequence of these behaviors the data contained in the system, the penalty indicated in the previous paragraph will be applied, in its maximum degree.

Article 2.- The one who with the intention of seizing, using or knowing improperly of the information contained in a treatment system of the same, intercepts it, interferes or accedes to it, will be punished with minor imprisonment in its minimum degree to half.

Article 3.- Anyone who maliciously alters, damages or destroys the data contained in an information processing system, will be punished with imprisonment lower in its middle grade.

Article 4.- Anyone who maliciously reveals or disseminates the data contained in a information system, will suffer the penalty of minor imprisonment in its medium degree. Yes Whoever engages in these behaviors is responsible for the information system, the penalty will be increased by one degree. ".

And since I have seen fit to approve and sanction it; therefore be enacted and be put into effect as the Law of the Republic.

Santiago, May 28, 1993.- ENRIQUE KRAUSS RUSQUE, Vice President of the Republic.- Francisco Cumplido Cereceda, Minister of Justice.

What I transcribe to you for your knowledge.- Kind regards to you, Martita Worner Tapia, Undersecretary of Justice.
