

Directive for the Treatment of Personal Data through Video Surveillance Systems is approved

DIRECTOR'S RESOLUTION

N ° 02-2020-JUS / DGTaipD

Lima, January 10, 2020

CONSIDERING:

That, paragraph 6 of article 2 of the Political Constitution of Peru indicates that computerized services, computerized or not, public or private, do not provide information that affects personal and family privacy;

That Law No. 29733, Personal Data Protection Law, aims to guarantee the fundamental right to the protection of personal data, provided for in the numeral 6 of article 2 of the Political Constitution of Peru;

That, the aforementioned legal norm, created the National Authority for the Protection of Personal Data as the competent body to carry out all the necessary actions for the fulfillment of the object and other provisions of said Law and its Regulations;

That, the National Authority for the Protection of Personal Data exercises administrative, guiding, normative, decisive, supervisory and sanctioning functions of in accordance with the provisions of article 33 of Law No. 29733, Personal Data Protection Law;

That, by virtue of its regulatory powers, the National Authority for the Protection of Personal Data in accordance with the provisions of paragraph 12 article 33 of the Law No. 29733, can issue the corresponding directives for the best application of the provisions of the Law and its regulations;

That, the General Directorate of Transparency, Access to Public Information and Protection of Personal Data as the line organ of the Vice-Ministerial Office of Justice of the Ministry of Justice and Human Rights, in accordance with the provisions of subsection a) of article 71 of the Regulation of Organization and Functions of the Ministry of Justice and Human Rights, approved by Supreme Decree No. 013-2017-JUS, exercises the National Authority for the Protection of Personal Data;

That, currently, the increase in the installation of video surveillance systems in the country for safety, labor control, as well as other purposes, is undeniable, so It is necessary to have a directive that establishes the provisions so that the processing of personal data that is carried out through said cameras or other similar devices are carried out in accordance with the provisions of the personal data protection regulations;

That, having collected the comments, suggestions and observations of the interested parties in accordance with the provisions of Directorial Resolution No. 54-2019-JUS / DGTaipD of August 16, 2019, it is appropriate to approve the final text of the Directive for the Treatment of Personal Data through Video Surveillance Systems;
In accordance with the Political Constitution of Peru; Law No. 29733, Personal Data Protection Law; Regulation of Organization and Functions of the Ministry of Justice and Human Rights, approved by Supreme Decree No. 013-2017-JUSR and the Regulation that establishes provisions regarding advertising, publication of Normative Projects and dissemination of general legal norms, approved by Supreme Decree No. 001-2009-JUS;
