(DPO) THE CNIL

The Data Protection Officer (DPO)
With a function located at the heart of compliance with European regulations
on data protection (GDPR), the data protection officer
(DPO) advises and supports the organizations that appoint it in their
conformity.

Become a protection officer
Datas
The data protection officer is at
heart of the new European regulation, which
constitutes the legal framework applicable since
May 2018 across the European Union.
> How to become a delegate?

Appoint a delegate to the
data protection (DPO) or
modify a designation
Before appointing your delegate online
data protection, check that it has the
status, skills and resources
necessary for the performance of its missions.
> Check and designate

DPO: where to start?

Learn about the GDPR

You have just been appointed protection officer
Datas. What should be your first
actions? Where to start ?
